

Innovative Healthcare Solutions

Homecare Nursing & Allied Healthcare Services

WHO WE ARE

Strengthening health care through
innovation, collaboration, and education

Alleanza Group seeks to dramatically improve the quality and cost-effectiveness of healthcare delivery in both the public and private sectors. At its core, Alleanza is an alliance of highly skilled, healthcare professionals and educators, working in, and with, premier medical speciality practices. We aim to offer Innovative Healthcare Solutions delivered through a highly skilled and committed team of healthcare professionals consisting of:

- Registered Nurses
- Physiotherapists
- Advanced Paramedics
- General Practitioners
- Physicians
- Paramedics
- Emergency Medical Technicians
- Medical Assistants

We apply our passion for learning and clinical collaboration to everything we do, enabling us to provide a holistic approach to healthcare solutions in the areas of home care, occupational health services, training & education and virtual health - positively altering practice standards and ultimately improving patient outcomes.

WHAT WE STAND FOR

Vision

Our alliance of highly skilled and world-wise healthcare professionals seek to augment practice standards, and ultimately improve patient outcomes through efficient operations management, innovative academic programs for educational institutions, internationally recognized training curriculum, and a consulting philosophy strongly focused on achieving our client's desired outcome.

Mission

Coupled with focused, efficient and transformative business strategies, we apply our passion for learning and clinical collaboration to provide the private and public sectors with a holistic and innovative approach to healthcare solutions that builds value and opportunity in the areas of home care, occupational health services, training, education, and virtual health.

Core Values

Underpinned by our company core values of Integrity, Trust, Teamwork and Diversity, we endeavor to champion change, be customer centric, be nimble in our efforts to drive operational excellence and create a fun working environment allowing us to deliver outstanding customer experiences.

OUR TEAM

Alleanza Team

“

*“Coming together is a beginning.
Keeping together is progress.
Working together is success.”*

- Henry Ford

”

Alleanza's Innovative Healthcare Solutions are delivered through an exceptionally skilled & committed team of highly trained healthcare professionals who have undergone additional mandatory training in the US to meet our stringent quality standards and KPIs. This team of healthcare industry pioneers, with over 60 years of combined experience in the US and UAE, work together to deliver holistic, customer-centric solutions to strengthen healthcare services in the UAE.

Our alliance of healthcare professionals and educators working in and with premier medical speciality practices include:

- Registered Nurses
- Physicians
- Physiotherapists
- Paramedics
- Advanced Paramedics
- Emergency Medical Technicians
- Medical Assistants

HEMOCARE NURSING & ALLIED HEALTHCARE SERVICES

Providing appropriate care to patients in a comfortable and secure environment

Alleanza offers holistic, Patient-Centered Homecare Services delivered by our well-trained Doctors, Nurses & Specialist Therapists in the comfort of the patients' homes. All our healthcare professionals are licensed under U.A.E. health authorities & receive ongoing medical training to provide our patients with the best care they deserve.

Objectives

- Provide the highest quality of home healthcare services for patients/clients.
- Keep communities healthy by offering periodic screenings and educational programs to the general public.
- Improve patient well-being, accurately monitor, and document patient progress through the provision of regular patient assessment reports.

Unique Benefits

- Our healthcare professionals are BLS/ACLS/PALS certified and Trained DHA Registered Nurses.
- We offer Teleconsultation and Telemedicine for intensive and mechanically ventilated patients.
- We improve care efficiency by making use of electronic medical records.
- We follow rigorous quality, safety, infection prevention and control programs.
- We are a DHA, DCAS and MOH licensed provider.
- We serve patients in the age group between newborn to geriatrics.
- We provide efficient resource management services.
- We help referral hospitals and reduce the cost to referring facilities.
- We help free ICU and other beds sooner, improve surgery scheduling & enable additional admissions.
- We help reduce healthcare costs to ALL PAYORS.

Core Services

Holistic Nursing Care:

Our highly qualified team of nurses are ready to provide around-the-clock homecare nursing services, according to the patient's condition and needs. Alleanza Homecare tailors the patient care and allocates the right medical personnel with the required skills based on the patient's medical assessment.

Alleanza Homecare specializes in the management of chronic medical conditions. Whilst the stability of the patient is our goal, our main priority is to improve the patient's quality of life.

Additional Homecare Services:

Alleanza Healthcare provides:

- Our team of Physiotherapists and Respiratory Therapists, integral to maximizing recovery following an injury, illness, or chronic disease;
- Newborn baby care to support infants and new mothers;
- Caregiving and babysitting services for those who require round-the-clock support, no matter their age; and
- Vitamin infusions to further support the overall health and well-being of individuals.

OUR COMPETITIVE ADVANTAGE

Why Alleanza?

Alleanza Healthcare leverages robust business strategies, global expertise and economies of scale to offer unrivaled healthcare management and technological solutions to our clients.

- Our holistic customer-centric culture enables us to provide personalized services tailored to our clients' needs.
- Our diversified healthcare services with a cutting-edge Virtual Care offering, result in dramatically improved operational efficiency, bottom-line enhancements and optimized patient outcomes.
- Our North American and international expertise coupled with vast local experience and reach are unmatched in the region.
- Our exceptional team relationships with local medical providers & facilities result in streamlined collaboration and quality control.
- Our licensed & trained clinical personnel are qualified above and beyond strict industry standards, and receive continuous training following evidence-based practices.
- Our training programs' recognition, certification & accreditation are provided through internationally recognized and respected organizations & academic institutions.
- Our partnerships with specialized and renowned companies in Artificial Intelligence, telemedicine and concierge services complement the capabilities of our consortium.
